

**5K Course (1 loop):** 5K Runners will start on Eakins Oval near the Art Museum and continue out Kelly Drive to the turn around point - cross the timing mat located there - then return to the finish line which is about 700 feet past the start line on Eakins Oval. 5K Runners must have a timing split at the turn around point in order to be scored.

**10K Course (2 loops):** 10K Runners will follow the same course as the 5K runners however when returning to Eakins Oval they will turn around - cross the starting mats again to begin their 2nd loop then head out on Kelly Drive to begin their 2nd loop. When returning to Eakins Oval at the end of the 2nd loop the runners will then head to the finish line to complete their run.

Note - 10K runners must have two timing splits at the turn around point out on Kelly drive in order to be scored as a 10K runner.
