

25TH GIFT OF LIFE DONOR DASH

PLEASE BRING YOUR GENTLY USED SHOES THE 2022 DONOR DASH

As we have done in past years, we are proud to announce our participation in a used shoe collection drive. We will be collecting your new or gently used shoes (they do NOT need to be running shoes-all gently used shoes are accepted) which will be distributed to women's clinics, veterans' homes, rehab centers, and to poor villages and communities throughout the world (including areas in the USA).

Please bring their new or gently used shoes to donate (sports, dress, casual, adult, or kids). There will be collection boxes at the packet pick-up as well as at the registration tents on race day

Help keep thousands of pounds of shoes out of our local landfills, provide shoes to those in need.

Thank you for your participation...have a great run or walk!
