

GIFT of LIFE
DONOR PROGRAM

Grant Programs

"IT'S ABOUT LIFE" Grant

Gift of Life Donor Program partners with faith-based and service organizations to improve our community's health through education about the life-saving impact of organ and tissue donation.

"It's About Life" grants of up to \$5,000 are awarded to tax-exempt, non-profit organizations and houses of worship in *Gift of Life's* service region. The grants are generously funded by Donors Are Heroes and can be used to initiate a program or to enhance existing activities. Applications are accepted and reviewed on an ongoing basis.

Sample Projects & Activities

Each applicant is encouraged to tailor its program to meet the needs of its unique community. Examples of previous projects include:

- **Breakfast or luncheon with Speaker Panel or Presentation**
- **Incorporation in heart, kidney, diabetes and other health programs, healthy food giveaways, etc.**
- **Roundtable Discussions or movie nights on related topics**
- **Speaker during or following religious services**
- **Organ donor registration drive**
- **Online programs and information distribution**
