DONOR PROGRAM

Grant Programs

"SPIRIT FOR LIFE" School Grant

The Spirit for Life grant program is offered to all Philadelphia High Schools to raise awareness about the life-saving impact of organ and tissue donation. Schools can apply for grants of up to \$5,000 to complete educational campaigns and registration drives. The grants are generously funded by Donors Are Heroes.

Sample Projects & Activities

Each applicant is encouraged to tailor its program to meet the needs of its unique community.

Past grant activities include:

- Video public service announcement contests
- Student project leaders teaching their peers about organ donation
- Social media campaigns
- Student skits and performances on how transplants save lives
- Shadowing and meeting with clinical professionals
- School health and registration drives
