# Dash to Save Lives

Join our community of heroes by supporting Gift of Life Donor Program's Donor Dash. Since 1996, the Donor Dash has been our region's premier event to raise funds and awareness for organ and tissue donation, honoring donor families, transplant recipients and waitlist patients. Last year's Donor Dash drew nearly 16,000 participants! The excitement and family fun of the Dash includes games, live music, a Kids Fun Run, our Community Village and the three main events: a 10K run, 5K run and 3K walk. A virtual option is also available.

Thanks to our generous community, Gift of Life has coordinated the most donor heroes and life-saving organs for transplant since the start of our national donation system. By sponsoring the Donor Dash, your organization will partner with one of the nation's leading organ procurement organization and help us save more lives.

More than a quarter of a million people of all ages have taken part in the Donor Dash since its founding. The life-saving message of the Dash reaches millions more each year through media and community participation. Your support will help us expand our impact and bring hope to the nearly 5,000 children and adults on the transplant waitlist in our region. Proceeds from the Donor Dash benefit Gift of Life Transplant Foundation, the charitable entity that supports programs and activities for donor families and transplant recipients.

## Team Philadelphia Sponsorship- Added Benefit for 2026!

*All Dash sponsors will also be recognized as Team Philadelphia sponsors, including being featured on the back of team t-shirts and listed on TeamPhilly.org. Team Philadelphia is a group of transplant recipients, living donors, donor families, and supporters who attend and compete at the biennial Transplant Games of America, an Olympic-style competition for recipients and living donors.*
